

Please note several changes in RED.

1. I interchanged the Baord and Here tabs. Here is more prominent. And at bottom of Fig 23, we wont have Share and Rank/Flag tab for Here Board.

And the Posting Compose screens are slightly different. Fig 81 is for the regular posting from Fig 21. But Fig 83 (new) is for posting from Here tab. Also, I removed the hashtag for Here Posting Compose (since it cannot be shared.)
